FHA Plaintiff Receives Federal Grant

The Equal Rights Center (ERC), the civil rights advocacy group and plaintiff in numerous FHA/ADA suits against developers of multifamily housing, recently announced the receipt of a \$275,000 *Private Enforcement Grant* from the U.S. Department of Housing and Urban Development (HUD). HUD's Private Enforcement Initiative (PEI) assists "...non-profit fair housing organizations to carry out testing and enforcement activities to prevent or eliminate discriminatory housing practices." John Baker, ERC Fair Housing Program Manager states that the grant will "...allow the ERC to conduct more tests in our current areas of concern as well as expand our testing efforts into additional areas."
