

**LISA PILORZ**

SENIOR ASSOCIATE

**EDUCATION****2007** Master of Architecture, Boston Architectural College**1985** Master of Arts in Expressive Arts Therapy, Lesley University**1982** Bachelor of Arts, Fairfield University**WORK****2010 - Present****Senior Associate | KMA, Newton, MA**

Ms. Pilorz works with developers, architects, and contractors throughout the development of multifamily housing, assisted living and hotel projects, providing accessibility code consultation for federal, national and local accessibility requirements. Ms. Pilorz reviews construction documents at various stages of development, provides on-site consultation throughout various stages of construction and provides ongoing consultation until project completion.

Ms. Pilorz provides due diligence assessments to establish assets and liabilities on properties such as multi-family housing, assisted living, hotels, retail establishments and office buildings.

Ms. Pilorz provides accessibility compliance consultation to government, institutions (DCAMM, MA State Lottery), architects and private developers. Projects include cities/towns (Andover, Milton, Newton, Winchester), Colleges (Mount Holyoke, Amherst College, Berklee College of Music) and hotels (Loews, Hyatt Regency, Marriott, Hilton, private ownership). She works with housing properties and municipalities in developing 504/ADA Self-Evaluation and Transition Plans (MA, NC).

In addition, she provides trainings in various states, for architects and construction teams related to construction errors and accessibility issues relative to multifamily housing, interior design and hotel projects.
