

JOB OPENING

January 2022

POSITION: ASSOCIATE, MULTI-FAMILY HOUSING

KMA is a design and consulting practice, working and thinking at the intersection of architecture and accessibility.

KMA is currently seeking an **Associate** to join our growing multi-family housing team. The Associate will independently perform plan reviews of design documents, perform construction site audits, generate written reports, and communicate with design and construction teams to support mandatory compliance with state and federal (ADA/FHA) accessible design standards for both affordable and market-rate multi-family housing projects. This is a junior- to mid-level position in the firm for a candidate with 5-10 years of prior experience, with opportunities for advancement.
