

JOB OPENING

March 2023

POSITION: ACCESS PLANNER, MULTI-FAMILY HOUSING

KMA is a design and consulting practice, working and thinking at the intersection of architecture and accessibility.

KMA is seeking an **Access Planner** to join our growing multi-family housing team. The Access Planner will help to perform plan reviews of design documents, perform construction site audits, generate written reports, and communicate with design and construction teams to support mandatory compliance with state and federal (ADA/FHA) accessible design standards for both affordable and market-rate multi-family housing projects. This is an early-career position for a candidate with 0-5 years of prior professional experience, with multiple paths for advancement.
